WHY SICILY?

Diversity

Sicily's boasts the most diversity of any European region. Geography: beautiful beaches, mountains, volcanoes, agriculture, wineries & olive oil estates. Culture: Influenced by many conquerors over time with Greek and Roman Temples, Norman Cathedrals & Arab influences in its architecture and cuisine.

History

Sicily has played a significant role in European history throughout the Byzantine, Norman and Arab occupations. It's strategic Mediterranean location and agricultural assets has fuelled conquering pursuits. Palermo was the centre of Europe in ~800AD and was 10 times the population of Paris & London.

Food/Wine

Sicily's fresh produce blended with Greek, Spanish, French and Arab influences delivers distinct flavours. World attention in Sicily wine is definitely growing.
